My side  
buns!

Natsuki,  
wait up!

There are dogs on  
the way down the  
slipping road.

and they make a  
lot of noise every  
time we pass by.

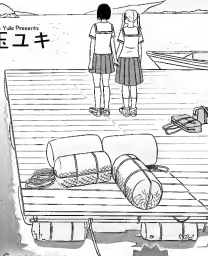

On the days we  
want to meet, we  
get off the bus two  
stops before home.

Pure-Blood  
40 pages  
short story

We have a mermaid friend.

The other day she said she wanted a t-shirt, so I gave her an old one I had.

The Mermaid is immensely curious about human fashion.

After school, reading magazines and chatting are part of our routine.

That's... how he laughs

Uhhhhh

Cochran, this is  
the world I can't  
look at Serper in  
the face anymore

He's not  
looking at  
her

but I can tell  
he's paying full  
attention to her

White skin,  
long lashes,  
big breasts

I'm an idiot  
I've already  
realized it.

Ec-  
chan...

I don't  
have any  
of those

but I'm such a  
fool to have had  
a flicker of hope.

For the  
mermaid  
who doesn't  
like the  
dickens  
feeling  
from it.

Sempai had  
even brought  
along the tools  
to fillet the  
fish.

It's  
palling,  
it's  
palling!

Put  
down  
the  
rod!

It's  
palling,  
it's  
palling!

His trembling hand  
and the thumping  
in his heart...

And the more I feel them,  
the more my body becomes invisible  
and I slowly disappear...

It's so painful,  
but I can feel  
them.

Of course  
there's no  
lie.

Nope.

It's slowly  
separating,  
isn't it?

What do  
you think,  
Natsuko?

If you look  
carefully,  
there's a  
line here.

How?

All  
right

I've  
understood  
it.

Is this something  
that could just  
and suddenly like  
this?

And suddenly I felt ashamed of how fat my legs were

The one day I wore it, I saw another girl wearing the same ones in town

That's right I only wore it once

look a bit  
like the  
mermaid

She probably  
did...

# さよならスパンコール

Bye-bye,  
Sempai.

Bye-bye,  
mermaid.

You sewed on  
the sparkles,  
Natsuki?

Really?!

Even if she  
disappears,  
it's not  
like I

I don't  
know

Well...

It will look  
good on you

I picked a  
mossy  
when I chose  
the color

Yup

Hey...

Stop

Come to the  
sea with me  
tomorrow  
please?

I'm getting  
worried

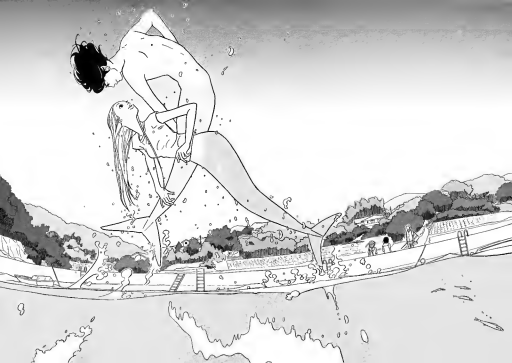

Just  
now?

Just

splash

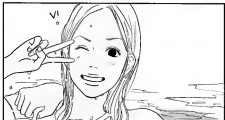

Netsubi

the mermaids

That was...

# さよならスパンコール

... the last we saw of  
the mermaid.

There're no  
more sights of  
Sempai eating  
popsicles  
either.

Ec-chan  
never comes  
to the sea  
again, saying  
that it will  
sadden her  
to remember.

Sometimes,  
as if it's  
telling me,  
"I'm fine,"

the sea  
catches the  
breeze

and sparkles.

Just like

my precious  
treasure.

Alone,  
dear  
brother

I send  
out my  
signals...

RUMBLE

RUMBLE

to the  
mermaid that will  
never show up
